To start Alice: Go to My Computer → Local Disk (C:) → Program Files → Alice and then double click on Alice.exe.

Story 2:

   [Snow scene] Mr. and Mrs. Snowman (from the People Gallery) where out for a walk one day. Unbeknownst to Mr. Snowman, Mrs. Snowman had recently taken dance lessons and had learned how to rumba.

   [We will build a surprised method for Mr. Snowman and rumba and blush methods for Mrs. Snowman. Using these three new methods, develop a short story with dialog. You may add additional characters if you like. Suggestion: The penguin (Animal Gallery) has some useful built-in methods]
